---

## TECHNICAL SKILLS

- **Languages** – C++, Python, JavaScript.
- **Libraries / Frameworks** – HTML5, CSS3, React.js, Node.js, Tailwind CSS, Bootstrap, Material UI.
- **Databases** – MySQL, MongoDB.
- **Extras** – Git, GitHub, Vercel, Netlify, Firebase, Figma.

---

## WORK EXPERIENCE

- **StackLab.in | Web Developer Intern** (Nov '24 - Jan '25)
  - Built **GoRSVP**, a full-featured event management platform with support for event creation, RSVP tracking, image uploads, and role-based access control.
  - Designed user friendly pages using **React.js** and **Tailwind CSS**.
  - Contributed as a Tester to help fix bugs and test the application for cross-browser compatibility.

---

## PROJECTS

- **GoRSVP – Event Manager** | Next.js, Express.js, Node.js, MongoDB **Live | GitHub**
  - Developed a portal for organizers to host events, manage the check-ins and integrate with **third-party google logins**.
  - Implemented features like editable event posts, soft-deletion operation and track the dashboard event for data.
- **FilmByte – Movie Hive Platform** | React.js, Tailwind CSS. **Live | GitHub**
  - Developed a **React.js** -powered **SPA** movie explorer where a user can search and check latest movies, and add them to vault to explore later as per the genre as a collection.
  - Integrated Tmdb **API** using axios which fetches real-time data for the latest movies and suggests the user.
  - Styled with **Tailwind CSS** for sleek and interactive components with fully responsive design for all devices.
- **MoneyVue – Finance Tracker Platform** | React.js, CSS, Firebase. **Live | GitHub**
  - Developed a secure personal finance management app where users can sign in using google authentication via Firebase.
  - Utilized Firebase Realtime Database to store user login credentials and transactions.
  - Integrated responsive charts to visualize financial summaries by tags and timeline.

---

## EDUCATION

- **MET's Institute of Engineering, Nashik** | B.E. Computer Engineering (CGPA – 7.24/10) (2022-26)

---

## ACHIVMENT AND CERTIFICATION

- **IIT's Bombay Spoken Tutorial Certification** – Java (2025)
- **Git-GitHub Certification** – Microsoft Learn (2024)
- **React.js Certification** – Scalar (2025)

---

## EXTRA CURRICULAR ACTIVITIES

- Technical core committee member – (SAC) (2024)
